

Department of Economics, Planning & Development

The Department of Economics, Planning, and Development at Gautam Buddha University was established in **2011** and currently offers two programs: **M.A. in Economics, Planning & Development** and **B.A. (Hons.) Economics**. The department follows the **National Education Policy (NEP)** framework. The **B.A. (Hons.) Economics** program at Gautam Buddha University is a comprehensive and flexible program designed under the **NEP framework**. It offers a blend of **core courses, electives, skill enhancement courses, and value addition courses** to provide students with a well-rounded education in economics. The program also emphasizes research through a mandatory dissertation in the final year, preparing students for both academic and professional careers.
